

New Dacia Duster Commercial

Introducing New Dacia Duster Commercial

Introducing the New Duster Commercial: rugged, robust and ready for business. It's got everything you need: a payload of 550kg, a long, roomy load area and all the tax advantages of a light commercial vehicle, without any of that frivolous nonsense. Bring on a hard day's graft. We've built our range, which comes in a choice of two trim levels, Ambiance and Lauréate, around the proven dCi 110 diesel engine.

But don't just take our word for it! Duster Commercial picked up the title for 'Best 4x4 Van' at the What Van? Awards 2016.

All versions come with ABS and ESC (Electronic Stability Control) amongst a host of standard safety features, and equipment that includes electric front windows, front fog lights and roof bars.

And if you want to take it up a notch, the Lauréate comes with a host of additional equipment including alloy wheels, cruise control and speed limiter, leather steering wheel and manual air-conditioning.

But what if you hanker after some off-road prowess? Not a problem. There's a choice between a two-wheel drive and selectable 4-wheel-drive system designed, using Nissan's expertise, to give you grip and performance in all conditions.

Whatever your trade: florist, plumber, farmer, the New Duster Commercial has it covered. Prices start from a shockingly affordable £10,095 (ex. VAT)*

* Official Fuel consumption figures are produced for comparison purpose and are measured according to the European Directive 80/1268/EEC. These figures are specific for a vehicle type and not for a single car. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also affect the fuel consumption. For further information, please visit the Vehicle Certification Agency web site www.vca.gov.uk

New Dacia Duster Commercial

Network

To find your nearest Dacia dealer, please consult the dealer locator on our website at www.dacia.co.uk. Alternatively, you can call our Dacia Customer Services helpline on 0344 3351111.

Roadside Assistance

We don't expect it to happen, but we'll ensure help is on hand if it does. In the event of a breakdown, help is just a phone call away with Dacia Assistance. This service is provided 24 hours a day, 365 days a year. We'll provide prompt roadside assistance in the UK and Northern Ireland for the first 3 years / 60,000 miles*, in line with the terms of the standard manufacturer's Warranty.

* Dacia warranty ends when you reach the age or mileage limit (whichever comes first).

Servicing

The service interval on all versions of Dacia Duster is 1 year or 12,000 miles, whichever limit is reached first. Your local Dacia main dealer is fully equipped to service your Dacia Duster.

Warranty

Your new Dacia is covered by a standard 3 year / 60,000 mile* Warranty package. Under the terms of this Warranty, your Dacia dealer is able to repair or replace, without charge, parts that are found to have a material or assembly defect that is recognised by Dacia. Your new Dacia also comes with a 2 year paintwork warranty, as well as a 6 year anti-corrosion warranty.

*For full Dacia Warranty Terms and Conditions visit <http://www.dacia.co.uk/services-and-finance/warranty/>

Extended Warranty

At Dacia, we don't force you to pay a premium for a longer warranty if you don't want one, but we'll offer you the opportunity to purchase one if you do. By extending your warranty, you'll benefit from ongoing protection from mechanical and electrical failure after the standard manufacturer's warranty has expired. You can choose to extend your Warranty to the following levels:

- 5 years / 60,000 miles*
- 7 years / 100,000 miles*

Although every effort has been made to ensure that the information contained within this brochure is as accurate and up to date as possible, Dacia UK reserves the right to modify its models without notice, including their characteristics, specifications, equipment and accessories. Brochures inevitably become out of date or inaccurate in some respects, in that such characteristics, specifications, equipment, or accessories may be changed after the publication date given below and can differ from the descriptions given or the photos displayed. It is therefore necessary to check with your Dacia Dealer before purchasing any product that the characteristics, specifications, equipment or accessories of the vehicle on order are as advertised.
